Hello my name is _____ with the Committees of Correspondence for Democracy and Socialism. I am calling to inform you about the following upcoming events, The Committee of Correspondence education Symposium and Committee of Correspondence sixth national convention on July 24th to the 26th.

We would like for you or an organization you represent to directly support this joint event by placing an ad in our convention/symposium ad journal. An ad or name greeting would be a great way to show solidarity and an opportunity to show that an organized progressive majority is needed. Will you support this struggle by placing an ad in our journal? The rates are \$200 for a full page, \$100 for a half page, \$75 for a quarter page, \$50 for an eighth of a page, and \$25 for a listing. We could design your ad or you can mail us your camera ready copy at CCDS, 522 Valencia St #1 San Francisco CA 94110 or email adjournal@cc-ds.org.

Also if you represent an organization, institution, bookstore, or a socially responsible company, we invite you to reserve a space for a display table at the symposium and convention. Can you reserve a table for this year's convention/symposium? For institutions and profit-making organizations it is \$50, for Non-profit and solidarity organizations it is a donation amount of your choosing.

Mailing: CCDS, 522 Valencia St #1 San Francisco CA 94110
