Dear Friend,

On July 24 to 26, 2009, the Committees of Committees of Correspondence for Democracy and Socialism will hold its Sixth National Convention in San Francisco.

Members and friends from across the country will come together as people committed to building movements for democracy, equality, justice and socialism.

The day preceding the convention, Thursday, July 23, the Committees of Correspondence Education Fund will host a symposium titled "Capitalism in Crisis: Socialism for the 21st Century."

Enclosed is a flyer with highlights of the four days of exciting programs and events.

We invite you to record your support for this joint event by placing an ad in our Convention/Symposium Ad Journal. Whether you are an individual or a representative of an organization with whom we share a common goal of a just world, this is a unique opportunity to say, "yes! our country needs an effective, organized progressive majority."

An ad or name greeting from you would be a welcomed show of solidarity and financial support.

If you represent an organization, institution, bookstore or a socially responsible company, we also invite you to reserve space for a display table at the symposium and convention. Please return the enclosed table reservation.

Ads for the journal can be submitted in whatever form you wish.

We could design your ad for you or you may submit camera ready copy. Please mail the ad to CCDS, 522 Valencia Street, #1, San Francisco, CA 94110, or email to adjournal@cc-ds.org

Let us know as soon as possible. The deadline for display ads and listing of greetings is Wednesday, July 1.

In Solidarity,

Karl Kramer
Journal coordinator
