ARTICLE IX, Section 3, subsection B shall be amended as follows:

ARTICLE IX.FINANCES

Section 3. Fiscal Activities:

B. All ~~checks, drafts, endorsements and notes shall require two authorized signatories who must be designated~~ *expenditure of CCDS funds shall be approved* by the NEC, and ~~approved~~ *subject to review* by the NCC.

=====

Reason for proposed amendment: Almost all CCDS financial transactions are no longer done by check, but instead, by electronic transactions. Thus this section of the Bylaws as it stands is moot.
